June Holloway

Pastel Portrait Demonstration

Tuesday, March 3rd. At 7:00

Dallas Water Utilities-8915 Adlora at Goforth

HOLLOWAY

An artist whose realistic style encompasses the people and places that surround her. June was born in England and her formal training includes Braintree College, England, where she received a University of London degree in Advanced Level Art, and instruction from prominent artists including Daniel F. Greene and Albert Handell.

June works in all mediums, but her favorite is pastel. The clarity of the colors and the diversity of the medium are what she enjoys, and the archival quality of the material ensures a piece of artwork that will survive for centuries. June is primarily a painter of people. She has received commissions for portraits in both England and the United States. June is currently working on painting portraits, and characters of the old west that she has met in her adopted country. Her artwork has been accepted and won awards in juried shows in Kansas and Texas.

June enjoys passing on her knowledge. She has taught a course in advanced level art at the University of Texas at Arlington. She is currently teaching workshops in Kansas and Texas.

FROM THE EASEL OF THE PRESIDENT

Nena Luttrell is busy working on the new officers and committees for the upcoming ACA year of 2009-2010. Please be generous with your time and give some of it to the success and running of ACA. It belongs to all of us and it takes a number of people to do all the jobs. We are all busy with our lives and families, and would like to just do our own thing, and spend all our free time painting and having fun.

Be kind so Nena won't have to beg

Our next obligation to ACA is to support our events. The Board works hard to get our workshops and the Annual Award Show organized. Work these events into your calendar and be ready to do any volunteer job that may be needed to make them successful.

I'm in Edmonds Washington for a few days, but I will be home soon, and will be there for the meeting. Are you working on your paintings for the Awards Show? Maybe the bluebonnets will be blooming soon, and you can get some good shots of them to paint.

Bring a painting for the monthly exhibition, and we will see you at the meeting.
