Bruce Peil is a signature member of the Oil Painters of America, and is co-founder of the Outdoor Painters' Society. His paintings are in many corporations, and he is widely recognized for his landscape Paintings of the American West.

There is a wide variety of subject matter that excites me. He says. "Whether it is a majestic mountain scene or the more simple pastoral scenes where we live. It is that fleeting moment in time that I try most to capture in my paintings. I want the viewer to feel as though they are sharing that moment in time with the artist".

He travels to teach workshops, and has also started teaching monthly at his studio in Athens, Texas where he and his wife operate a Bed and Breakfast/Artists Retreat.

Bruce is represented in galleries across the country, and his work has been included in such shows as the Oil Painters of America, the Albuquerque Museum Miniature show, the Gilcrease Museum Miniature Show, Art For The Parks Top 100, Settlers West and many others.

He has been featured in such books as Art of the American West, Rockport Publishers, Art Talk, Southwest Art Magazine and Artist's Magazine

ATTENTION-ATTENTION-ATTENTION-ATTENTION Hello to everyone, hope you are all ready for a great show. BRING YOUR ACA AWARD SHOW PAINTINGS TO ARTISTS SHOWPLACE SATURDAY! MAY 1ST BETWEEN 1:00 TO 4:00 PM. It's always exciting when the Awards Show is coming up. We need help to hang and to take in. We always have a lot of fun designing the pictures to the walls and a small contest to see who gets the best looking wall going. Come to the ACA Meeting May 4th. Come to the reception and awards presentation at Artists Showplace on May 7th and please bring finger food and all your friends.

We enjoyed Pat Waymon's demonstration. It's always nice to see old friends and all of us go way back. We want to thank her for coming from Denison.

Also, we have had some ACA artists doing something around town.. Donna Monroe had a one woman show hanging at the Irving Fine Arts Club for the whole month of February. And Ann Hardy was seen painting at the Southwest Gallery this month, Doing a fine job.
